

# COMD Class 27 - Free Study + Humument

December 9, 2015

## What's DUE:

- **Steps 1-3 of [Project #5 : Phase 3 Guidelines](#)**
  - 10+ thumbnails and documented research to show idea development and critical thinking.
  - Fully developed preparatory drawings showing your and your partner's silhouette icon.
  - Color mockup to clearly communicate color personalities and interactions.
- **(5) Project #4 pages for HUMUMENT (this was due LAST class)**
  1. \_\_\_\_\_
  2. Luminosity
  3. Primary Colors & Secondary Colors
  4. Complementary Colors
  5. Color Temperature (Warm, Cool)

## Critique

Present your **Paired Color Identities Free-Study** (in-progress) with your partner.

- 10+ thumbnails and documented research to show idea development and critical thinking.
- Fully developed preparatory drawings showing your and your partner's silhouette icon.
- Color mockup to clearly communicate color personalities and interactions.

Present your Humument.

## LAB

### Free-Study work

- Scan your drawings - {[dropbox link to scans](#)}
- Guidance using illustrator to create your icon from drawings
- Continue work on Free-Study in class
- Practice good time management. You will present your final work next class. Make this one count!

## Homework

ALL PARTS OF [Project #5](#) ARE DUE!
