Dear Professor Spevack

I just wanted to take a minute to thank you for your participation in our
ADGA Faculty for Faculty Workshops held January 19, 2013

You conducted a very important workshop– *Designing Effective Digital Projects
for ADV1100*. I have no doubt that our faculty found it to be very useful.

Your initiative to create and facilitate the workshop, and your willingness to
share your knowledge with your colleagues represent a valuable contribution to
the department. I look forward to working with you again and to discuss the
possibility of other workshops

Sincerely,

Prof. María Giuliani
ADGA Workshop Coordinator
